The roots of the Independent Living Movement, Consumer Control, Community Involvement are key as we grow as an organization. **“Independence Associates promotes the right of people with disabilities to live independently in the community”**.

**We would like to have you here** to help guide our future, and to be a part of it!

#### The fun starts at 3:00 pm

- Guest speakers & Group discussions
- *Time for socializing and open conversation.*
- Several resource tables to connect consumers and some of our community partners
